Our Vision

We are committed to take education to every single door, making it a superb blend of knowledge and future job specific.

Why Enroll?

- A long tradition of academic excellence and giving results in IIT-JEE /NEET/Olympiads.
- A commitment to providing the highest quality of learning.
- Personalized care & attention for the students

Conceptualizing Courses Easy Way

The course structure is strategically designed by our mentors with an aim to make students learn the fundamentals of subjects along with giving equal attention to the applications of the concepts taught.

- 15-20 Small Students Batch
- Learn from Experts from IIT with 12+ years of experience
- Highly-Focused & Intensive Training Methodology
- Strategies for Struggling Students

1 Year Classroom Program For Students of Class 12th

JEE (Main & Advanced)

This program is conceived with the aim to propel students All India Rank in JEE (Main & Advanced) by a massive margin in just **one year's time**. Special significance is laid on identifying the weak areas and strengthening them, enhance problem solving ability with speed & accuracy and improving the exam temperament of the student.

Students enrolling in this program early will be eligible to attend Class 11th through Offline Mode before commencing their actual program.

New Session onwards, students will get access to class recordings of entire Class 11th syllabus to strengthen their concepts. This program focuses primarily on Class 12th syllabus followed by comprehensive revision classes as well as Testing & Evaluation.

KEY FEATURES

Integrated Content: Our study material is designed to cover both the school curriculum and JEE syllabus. This integration ensures a seamless learning experience.

Well-Laid Out Learning Tool: The study material is structured in a step-wise and level-wise manner, making it easy for students to grasp complex concepts.

Highly Qualified Faculty: Students benefit from the expertise of highly qualified and effectively trained faculty who guide them through their academic journey.

Curated Question Bank: We have a meticulously curated question bank that has evolved over the years and is regularly updated to align with the latest curriculum.

Classroom Assessments & Practice Sheets: Regular assessments and practice sheets in the classroom environment help students gauge their understanding and improve.

Scientific Testing System: Our centralized testing system is scientifically designed to evaluate students' progress accurately.

Testing Pattern Aligned with NTA & IITs: Our testing pattern aligns with the National Testing Agency (NTA) and IITs, ensuring that students are well-prepared for the entrance exams. Our study material is complemented by a level-wise testing system, enabling students to progress from concept learning to application and analysis gradually.

Detailed Post-Test Analysis: After each test, students receive a comprehensive analysis of their performance, helping them identify their strengths and areas for improvement.

LMS Support: Students are given complete online support for their studies which includes Class Notifications, General Notifications, e-Books (of Modules), Test (in Online Mode), Test Paper PDFs (Competitive and CBSE), Comprehensive Test Analysis with their peers, Doubt Forum etc.

Tests Throughout the Program

Test Type	Number of Tests
JEE Main Tests	10 (including 1 Computer-Based Test)
Mock JEE Main Tests (Computer-Based Tests)	5
JEE Advanced Booster Tests	4
JEE Advanced Tests	6 (including 1 Computer-Based Test)
Mock JEE Advanced (Computer-Based Tests)	10

ADDITIONAL BENEFITS

Revision: A consolidated revision plan comprising JEE (Main & Advanced) will be provided to strengthen the preparation, ensuring students are fully equipped for JEE.

Board Notes for Class 12th Final Exams: Comprehensive board notes for Class 12th subjects, including Physics, Chemistry, English, Economics, and Computer Science are provided that helps students excel in their board exams.

BITSAT Test Series: For those aiming for BITSAT, a specialized test series comprising 10 Online Mock Tests along with Logical Reasoning (LR) and English classes are conducted in Online Mode to prepare students for this prestigious exam.

Readiness for CBT (Computer-Based Tests): We ensure that students are well-prepared for Computer-Based Tests (CBTs) through our program, helping them adapt to the evolving examination format.

Join **Progressive Minds** and embark on a transformative academic journey that will prepare you not just for exams but for a bright future ahead. Our comprehensive study material and dedicated faculty are here to guide you every step of the way. Excellence awaits you! Join us to embark on a successful journey towards your engineering aspirations.

2 Year Classroom Program For Students of Class 11th & 12th

JEE (Main & Advanced)

A program which is designed to take students to the zenith of success. This program is focused towards building strong fundamentals in Physics, Chemistry & Mathematics, raising the analytical & logical reasoning ability, enhance focus, raise IQ, and enable students to inculcate the spirit of competitiveness. This program will act as a stepping stone for students to confidently conquer other exams viz. JEE (Main & Advanced), BITSAT, etc. Students starting their preparation early with this program would be in a better position to counter stress, anxiety vis a vis those students who would not be starting early.

Best faculty. Teachers are very well qualified and also very supportive. The students can interact with them without any hesitation and clear all their doubts.

Good environment for studying, amazing faculty with good knowledge of their subjects and friendly nature with the students

Amazing group of experienced mentors, small batch size and individual attention. Highly Recommended !

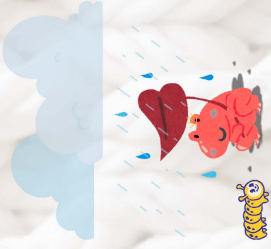

Amazing teaching faculty and personalised attention to each and every student and awesome faculty members.

Taking admission here was the best decision I could have ever made. The one to one mentorship really helped me to overcome my fears and improve my performance. At progressive minds, one doesn't feel alone on left out. Each student matters. This is my second home, and the best place for any JEE/NEET aspirant.

For the shining eyes of aspirants progressive minds is a bewitching charm filled with friends like teachers who while teaching about subjects enrich the child about life. Like a never ending meander the staff takes care of students never falling short of helping them. For any jee aspirant - it is the place where dreams come true.

Their warm learning environment is their biggest strength, the teachers are highly skilled as well as experienced, and overall it's an excellent institution for students!

The main thing I achieved after joining this institute is regularity ... I really like the way of teaching and the amiable nature of teachers towards students..... I'm very lucky to have such a cooperative and kind hearted faculty

Teachers here are really awesome. They will make you understand concepts very easily.

One on one mentorship and guidance....teacher takes care of students like their own kid...and staffs are so cool listens you and motivate you whenever you feel down...there are even cheat days
